**POLICIES:**

Makerspace Policy – First Reading
The Makerspace Policy was created to highlight some of the unique services that we provide in that space. The policy addresses access, safety, and other library policies that govern all of ALD’s facilities and services.

Reservable Spaces – First Reading
Several changes were made to the Reservable Spaces Policy (formerly the Meeting Room Policy) to update it:
- The phrase "meeting rooms" was changed to "reservable spaces" as we offer more than just meeting rooms and the term space is more universal.
- Electronic smoking devices, tobacco products, and marijuana were added to the list of substances that cannot be used in the library to make it consistent with ALD’s Patron Code of Conduct.
- We have added that only service animals, emotional support animals, and animals involved in library programs are allowed in our reservable spaces to make it consistent with our Service Animals in the Library guidelines.
- Language was added about the expectations of the condition of the spaces when patrons leave.
Fines and Fees – First Reading
The phrase stating that we assess late charges for overdue items was removed and information about when and why that decision was made was added.

The Makerspace Policy, Fines and Fees Policy and the Reservable Spaces Policy will be presented for second reading with suggested revisions from the trustees at the March 20 Board Meeting.
