POLICIES:
Reservable Spaces – first reading: The policy was modified to add language regarding the library’s insurance liability in reservable spaces.
The policy will be presented for a second reading in February.

Patron Code of Conduct – second reading: The Patron Code of Conduct (long version) was presented to the board at the November meeting for approval of changes regarding the use of marijuana and other smoking products in order to be consistent with the shorter version used for posting at the facilities. At that time, a concern was voiced regarding the section on “Weapons,” specifically the prohibition on open carry or concealed carry with or without a permit. With assistance from our attorney, the wording was edited in that section in both the long and short versions and the revised document was presented for second reading. Jim Morrato moved and Dorothy Pisel seconded to approve policy with the suggested revisions from the trustees. It was decided that legal counsel will work on related procedures for the policy.

Soliciting, Fundraising, Petitioning, Campaigning and Other Free Speech Activities on Library Property – second reading: The policy was been modified to remove the sale of newspapers among the activities not allowed on the premises, as we do not have newspaper vending machines at any library location. Dorothy Pisel moved and Jim Morrato seconded to approve the policy with the suggested revisions from the trustees.

- Dorothy Pisel was glad to be back at the meetings after an illness.

Director Reports:
- Oli Sanidas reviewed communication he shared with staff around the recent visioning exercises. These exercises were conducted to get shared visioning language around initiatives. The exercises were a great way of leveraging staff feedback. He shared his budgeting philosophy in an effort to be transparent with staff. Oli reported that a year of being fine free has had very little impact.
- Linda Speas reported on the ESL graduations that we hosted in 2018. These events are an incredible celebration and quite an accomplishment. Over the holidays, the libraries had an inclusive holiday display where patrons shared how they celebrated the holidays. The inclusivity guild is going to evaluate the displays. Linda served as a judge for the Geek Out competition and thinks it is a wonderful way to connect with the teens. Thirteen teens were awarded prizes generously funded by the Friends.
- Jill Corrente reported on interactive lob at the Southglen Library. The space offers information on Universal Design principles and interactive technology to show practical examples of how technology can impact daily living.
- Jessica Studner reported on the collaboration with Colorado Public Radio to produce a 15-second spot that aired during a.m. and p.m. drive times. The ad was targeted toward adults, especially older adults, and encouraged radio listeners to discover all the ways to take advantage of their library cards. Jessica was excited to see the recruiting hub on the website. This will help prospective job seekers see all the wonderful benefits associated with being an employee at Arapahoe Libraries.

SOLICITING, FUNDRAISING, PETITIONING CAMPAIGNING AND OTHER FREE SPEECH ACTIVITIES ON LIBRARY PROPERTY

SOLICITORS, PEDDLERS AND OTHERS WHO SEEK TO SELL GOODS OR SERVICES OR ENTREAT LIBRARY PATRONS OR STAFF
Solicitation, advertising, promotion, vending, peddling or product sampling is not allowed. The Library District prohibits all such activities on library property, as it may interfere with the use or enjoyment of the library by library patrons. The Arapahoe Library District does not endorse, sponsor or support products, services, persons or groups unless related to library service or management.

The Library occasionally receives requests from patrons or staff to conduct or endorse fundraising events or to provide public space for donation collection boxes. Arapahoe Library District does not sponsor nor endorse the fundraising activities of other organizations, although periodically branch libraries may cooperate with local community charitable groups or service clubs to support community endeavors. Staff fund raising activities directed solely at staff may be conducted in staff offices or lunch areas.

All ALD funding will be conducted under the auspices/permission of the Library Foundation. Ideas and suggestions should be sent to the Executive Director.

PETITIONING AND OTHER FREE SPEECH ACTIVITIES ON LIBRARY PROPERTY
Arapahoe Library District offers a limited public forum for free speech activities. In order to ensure normal operations of the library, we enforce the below guidelines related to free speech activities on our property:

Free speech activities are allowed on Arapahoe Library District property in designated areas at a time, place and in a manner approved by the Executive Director or designee.

Free speech activities include, but are not limited to petitioning, leafleting and/or campaign activities. Library walkways and grounds outside library buildings provide appropriate public places for the exercise of the right of free speech, provided the activity does not create a dangerous condition, interfere with access and use of the library, damage property or create unnecessary maintenance expense for the library.
Those exercising their free speech rights may not engage in the following activities or actions. Violations may result in the revocation of the right to utilize library property:

- Hindering, impeding or blocking the passage of library patrons, employees or visitors;
- Continuing to impose upon, follow, shout at or against, mark for approach by others or otherwise press an issue after having been advised of the patron's, employee's or visitor's lack of interest or opposing viewpoint and desire to be left alone;
- Surrounding or making serial approaches to a patron, employee or visitor;
- Inciting or promoting arguments with or among library patrons, employees or visitors;
- Inciting or promoting imminent acts of violence;
- Presenting, imposing or otherwise impressing upon patrons, employees or visitors obscene materials or materials, photographs or demonstrative exhibits generally offensive in the community; or
- Failure to abide by the time, place and manner of restrictions imposed by the Library.
- Public solicitation of funds is not allowed on library property.
- Promotion of for-profit programs, services or goods is not allowed on library property.

Those exercising free speech rights will limit their numbers to two individuals and shall remain on exterior walkways or grounds. As library settings vary, library managers will determine available areas that are appropriate for the exercise of such rights at each location. Diagrams are available for this purpose at each location owned by the Arapahoe Library District.

Davies and Southglenn libraries are in premises not owned by the Library District and as such are subject to the policies of the property owners.

**OUTDOOR DISPLAYS BY THE PUBLIC ON LIBRARY PROPERTY**

Unmanned campaign posters, banners, yard signs and other outdoor displays (not sponsored by the Library District) shall not be posted, exhibited or left anywhere on Library District property. Such displays will be removed without notice and disposed of by library personnel.

**ELECTION TABLES**

The Arapahoe Library District will provide limited election table space in each of its public libraries for the display of campaign materials related to candidates or issues in local and national elections. Community Bulletin Boards may not be used for this purpose.

Such information is part of the reference service provided by the Arapahoe Library District. It does not constitute an endorsement by the library district.
The Arapahoe Library District welcomes the opportunity to serve as an election polling place. If an election table is within 100 feet of the room in which the election is held or is adjacent to where electors walk to an interior polling place, it will be moved or removed in compliance with Colorado statute § C.R.S. 1-5-105(1).
