Go stargazing

Choose your own SCIENCE activity

Read a book

Make a time capsule with your family

Build a gadget

Learn to code using CodeCombat

Play a video game

Select your own TECH activity

Remember, you can find fun activities at the library to help fill your board!

DIRECTIONS

1. Color in each activity you complete.
2. Complete three activities in a color category to earn a sticker. Can you collect all five?
3. Celebrate how much fun you had this summer!
